

To ALL RSYC MEMBERS. (especially Durian Lovers)

The Club is organizing a Durian Kenduri for members and their guests as part of the Club's on-going efforts to promote activities at the Club and give us an excuse to stuff ourselves.

For the Durian Kenduri, we will buy 500kgs of durian and sell 150 MSM

Coupons at RM 10 each for a "Makan Sampai Muntah" experience. Children under 10 will be charged RM8.00.

The promotion on 19th JULY 2009 will start with a 1500hrs (3.00p.m) Magic Show for the children.

FREE; FREE; FREE; NO CHARGE.....FOR CHILDREN HOLDING COUPONS FOR THE DURIAN KENDURI.

Others will have to pay RM15 at the gate. Because of space constraints, we can only admit a small audience, but all coupon holders under 10 will be guaranteed entry as long as you are on time!

Others will have to take their chance for availability of seats. Priority will be given to the kids. Parents are welcome to keep an eye on their charges. NO seats for parents.

The "Kendurian" will start at 1630hrs (4.30pm). Tables and chairs will be provided for your comfort and

.... there will also be mangoesteen, coconut water and quality durians for sale.

Slightly salted ice-water will also be available FREE.

So, come early for some brunch, as a special brunch menu including **best-in-the-world NASI DAGANG** will be available. After brunch, relax until the Magic Show starts, when the kids will be out of your hair. Then at 4.30, be ready to gorge ourselves on our Malaysian King of Fruits!!!

MSM Coupons are available at the Office, the Bar and from Dr.Selvam's Klinik -Tel No: 03.3326.3442.

As the Club has to pay the Durian Towkay and the Professional Magician cash, we also have

to collect CASH for the MSM Coupons. Sorry-lah, can't be helped.

PLEASE BUY YOUR MSM COUPONS EARLY TO AVOID DISAPPOINTMENT!

Mr.W.H.Low has asked for 50 tickets but we will only be letting him have 20 as we want to have as many members as possible to participate.

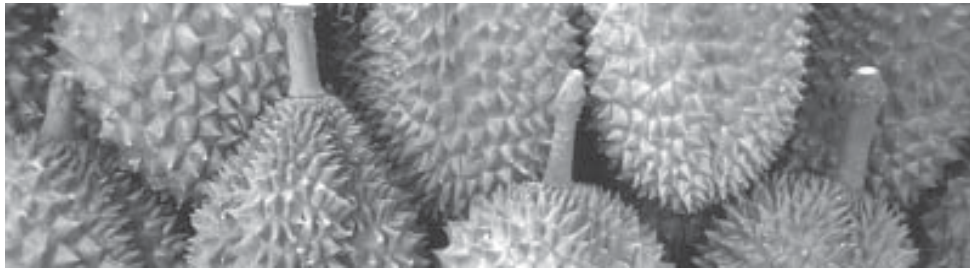

THE CLUB NEEDS YOUR SUPPORT - BRING YOUR FAMILY AND FRIENDS

REMEMBER THE DATE SUNDAY 19TH JULY 2009
